

# Accessibility

Tiny is committed to making the web accessible for content creators and readers of all abilities.

## Creating Accessible Content

[Textbox.io](#) includes a built in web content accessibility checker that content authors can use to ensure that they're creating the most accessible content possible.

See the article on [Creating Accessible Content](#) for more information.

## Accessibility Compliance

[Textbox.io](#) complies with the W3C's Web Content Accessibility Guidelines 2.0, Authoring Tool Accessibility Guidelines 2.0, Accessibility for Rich Internet Applications, and the US Government Section 508 recommendations.

See the article on [Textbox.io Accessibility Compliance](#) for more information.
